APPLICATION OF THIS DRAWING
This drawing and those in the series 373/73.1/1 onwards have been prepared for submission for Planning Permission. It should not be used for any other purpose.

DXF & DWG FILES
This drawing was created in Vectorworks. When Vectorworks drawings are translated into DXF and DWG files some fills do not appear on the new file as they they did on the original. Other features of the drawing may also be lost. For this reason hard copies or pdf files should be used.

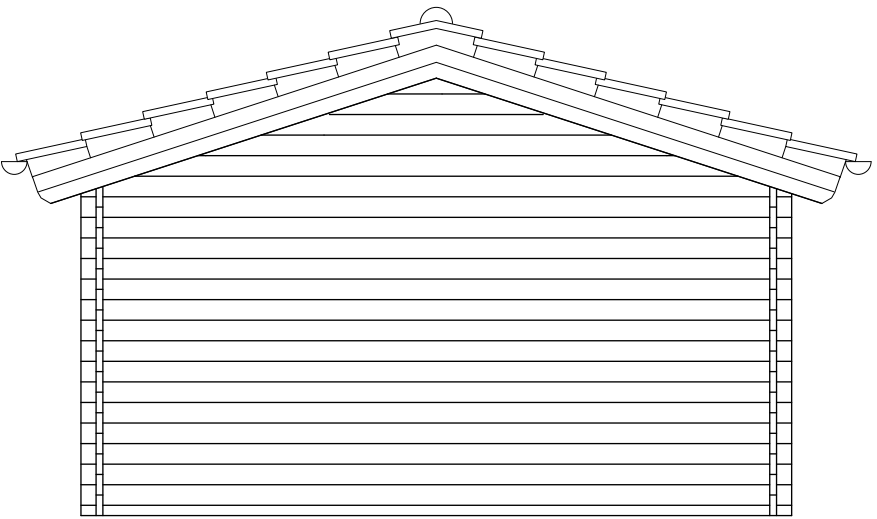

PDF FILES
Recipients of pdf files should check the scaling is accurate when printing the files. Drawn scales have been included on the drawing for this purpose.
