PROPOSED DEVELOPMENT

Application for a Variation of Condition 17 in relation to
application SMD/2024/0147

Comments – The proposed use is for bouncy castles, food stalls and play equipment, the previous play area use to the north of the site did not require amplified music. We would advise all environmental and amenity protection conditions remain relevant to this site during its operation i.e smd/2024/0147 conditions 8-15 inclusive.

Recommendation and Conditions

The Environmental Health Department have no objection to the application subject to retention of Environmental and Amenity Protection conditions..

Advisory Note/ Informative:

Please be aware that the responsibility for safe development and secure occupancy of the site rests with the developer.

Regards,
Environmental Health
