Dear Jane,

Thank you for your email that Emma has forwarded to me as I now cover this area for our team. Unfortunately, we've not been able to find any record of receipt of a consultation sent to us in August 2024 for this application.

We will have a look at the application, revised drainage plans and FRA etc and respond to you as soon as possible to confirm/provide any further comments.

Kind regards,

Nanette

Dear Emma
I hope you are well.

We consulted the EA on revised Drainage plans, FRA etc in August of this year. Do you have anything further to add? There is a lot of local concern about the development from a flooding perspective.

For completeness I also attach evidence which a local resident sent to the Council and which was forwarded to the LLFA some time ago.
