Submission: Objection

Comments: I strongly object to this application on the grounds that it will have an impact on local residents and the country that surrounds them.

It will also impact on local wildlife .

It would mean that the country lanes would be used by heavy vehicles causing a danger to pedestrians and horse riders, and then there's the risk of fire it will bring to the area .

It's important that we leave a legacy for our children and Grandchildren and I feel that this is not the way forward.
