Submission: Objection

Comments: The common is a much loved part of our town and is already dealing with issues such as wildfires and I would not want to see it harmed anymore. I have been walking the dog around the common for as long as I can remember and would like to continue that for the foreseeable future so please try to find a more suitable place for BESS to be constructed that won't harm the healthy parts of our town so that we can keep our green areas thriving.
