Submission: Objection

Comments: I am a local farmer and I raised concerns about this development re the original application. I felt it would be intrusive and, without living accommodation and a proper agricultural appraisal, this aspirational enterprise would be doomed to fail. Sadly, I feel my concerns have been realised with the positioning of the shed and difficulty caring for animals without on-site living quarters.

A temporary solution was found with the renting of nearby Serenity Cottage, but, as far as I am aware, this is no longer the case.

This variation has already been refused and, for all the reasons given,...with no change....should be refused again.
