Comments: Myself and my family strongly object to this application.

This will be, along with all other applications total disruption to the area.

These should not be built on green belt land.

Wildlife needs to be protected, not forced away from the area.

Huge fire risk to everyone and everything around.

Noise disruption.

This area will be one big industrial site.

Perhaps those that support this application would like to live around here including Mr Ed Miliband!!! I think not!!!
