Comments: I am writing to inform you that I fully support this application because in the past I have kept cattle on the land belonging to Townsend and I know first hand how dangerous it is to manoeuvre vehicles with trailers at that junction and reverse into the drive at Townsend and the problems it causes with other vehicles on the highway

Therefore I believe that the new driveway would be a great improvement enabling you to have better access to Townsend and to the field at the rear and would be much safer to all highway users
