Submission: Objection

Comments: As our previous objection May 2024 SMD/2024/0012, we strongly object to the proposed building of a bungalow on Green Belt land off Park Lane Cheadle application SMD/2024/0459 Mr Mark Bullock. A planning application earlier this year was dismissed primarily because the land is Green Belt, and it's still Green Belt, a law passed by Parliament level and clearly stating the fact.

The land in question is not Urban, it's a field, all the ecological facts, figures and fancies, a phrase uttered by a particular councillor the last time the application plot was debated, and does not change the fact that it's a green field within Green Belt. The Government has changed, but the Green Belt law has not, councillors should be aware there is no such thing as 'grey' belt, adhere to the Law of the Land and not personal bias.

To approve this application on Green Belt land would open the 'floodgates for Mr Bullock to allow more dwellings on this Green Belt land, so we strongly object, NOTHING has changed since Mr Bullock's previous application in May 2024 apart from he is applying for ONE dwelling instead of his original THREE !, it is still Green Belt, so yes we STRONGLY OBJECT TO THIS APPLICATION.
