Owner of 12 Meadowside View, Alton, ST10 4FL

I am writing to advise that whilst we have no objection to the change of use of the annexe to a separate dwelling, we believe that this change in use will affect the privacy to our property more than others due to the annex being directly next to our property.

We strongly believe that if planning permission is granted then the separate annex is to be occupied more regularly than it is currently and we would like to make a formal request for a consideration to the boundary fencing of the annexe that is adjacent to our property (12 Meadowside View) is to have either an introduction of trellis to the current boundary or an increase in height of fencing, or an introduction of a hedgerow, we would you like to strongly consider as it will provide privacy to both our own home and the annex to Woodbine Cottage.

If you require further assistance in regards to this request then please let us know as we will be happy to provide any photographs that would support our request for additional privacy to be able to welcome this planning permission.

Kind Regards,

Laurence and Stephanie Heath
