Submission: Objection

Comments: I'm writing as I strongly object this appeal, I find the sheer scale of this mindblowing, that anyone would think this is exceptable in such a small village and on greenbelt land. The landscape, wildlife and natural beauty of the area, is one of the main reason me and my family have lived here for so long.

The disruption from the bulid of these sites, the devastation to wildlife, and the inpacked on housing value, noise and vibration from the batteries, fire risk been so close to schools and properties, years worth of chaos with in the villages from building works, affecting local businesses, for these reasons i object to this planning appeal
