Submission: Objection

Comments: I am concerned about this planning application due to the impact it has on the surrounding areas. The lane that it sits on is already used as a busy cut through and with the added traffic that would come with a traveller site this means the area will be unsafe for walkers, cyclists and horse riders.

This land has been sold as Greenbelt land and for agricultural use only however it has now been made to be completely hard standing with no facilities to have any kind of animals on there.
