Submission: Objection

Comments: I strongly object to this application due to the following:

Industrialisation and loss of green belt

Close to residential area - fire risk and danger to residents in case of a fire

Loss of wildlife

Disruption by construction and ongoing running of site to residents

Site will be highly visible due to location causing visual and light pollution

Numerous applications in the area leading industrialisation of the (area over 400 acres in total)

Land will be unable to be restored after 40 years to its original condition meaning that the green belt is lost forever

Loss of good quality farming ground in a time where there is already food insecurity

I strongly object to this application
