The Parish Council are of the opinion that the proposal appears to be sound taking into account the Applicants legitimate reasons for the extensions as stated in their Design and Access statement and their pre Application discussions with the Planning Officer and provided it is in keeping with neighbouring property and there are no local objections and it conforms with planning policies as defined in the Checkley Parish Neighbourhood Development Plan and the Staffordshire Moorlands District Council Core Strategy and the National Planning Policy Framework. Checkley Parish Council would fully support this Application

Cllr Steve Buckley
Planning Coordinator
