Enquiry details

I am complaining about the high wooden fence that was erected at 1 Haven Crescent. When I am pulling out of Haven Crescent I am unable to see traffic coming from the right until the vehicle is almost in view. This is very dangerous and I have had a few lucky escapes as a lot of cars travel fast. A lot of my neighbours are concerned about this. I do not know about applying for planning permission as it is already there. The application should be rejected on the premise that because of the fence you are unable to see oncoming traffic which makes it dangerous.
