YOUR COMMENTS ON THE CASE

This is a site of beauty with amazing wildlife including bats, foxes, owls.

It is not practical for housing to be on here due to the infrastructure with roads being extremely narrow.

Additional travel into Cheadle especially the top of Froghall Road onto Leek Road needs to be observed at peak times. Additional traffic is not an option.

Extending housing for Cheadle has already suffocated the area.

This is a lovely market town and we do not have the capacity for hundreds more houses.

Please listen to the people.
