YOUR COMMENTS ON THE CASE

These fields are full of wildlife, batts, owls, foxes, buzzards, Red Kites. Cheadle has so much development with houses being built. This is suffocating our little market town.

The roads will not cope with extra traffic.

Before making a decision could I ask you go to the top of Froghall road where it meets Leek road at Peak time. Its chaos.

We have no work here and the empty houses need to be filled by your housing rather than build more Let's leave our little town as it is. Our planet is being destroyed please do not add to it..
