YOUR COMMENTS ON THE CASE

This road is so dangerous , also it is valuable farming land , no decent bus service, schools have been promised but never appear , Doctors waiting times for appointments is frightening. Cheadle infrastructure is just not up to taking more traffic. queues at all times. school times it is grid locked .Promised made by previous builders regarding school not done. We need green fields to survive , Cheadle will have no wild life or trees if we continue having our green space taken over. So many empty new houses , and more are scheduled to be built . We are a small market town, whose needs are being ignored , why take our green spaces . We need these fields to feed the growing population. we cannot keep importing our food . Please consider what damage to future generations all this will do. Please listen to the residents. We love Cheadle and want the best for it.
