Submission: Objection

Comments: I strongly object to this application for the following reasons:

- This is green belt land.
- The excessive noise this application will cause for the local community.
- No benefit to the local area nor local community.
- BESS developments have a high risk of fire, explosions and create a risk to life of local residents.
- the development will cause a major road safety hazard to road users (cyclists, pedestrians, horse riders) and damage to the highway. The access roads are single lane narrow country lanes.
