Application Reference No. : SMD/2024/0055

Site Address: LAND SOUTH OF CELLARHEAD SUBSTATION AND WEST OF Rownall Road Wetley
Rocks Staffordshire

Comments by: Claire Iunt

From:

52

Moorside road

Werrington

Stoke on Trent

Staffordshire

St90je

Submission: Objection

Comments: This site is a massive fire risk in close proximity to a number of residential housing and villages, not to mention schools.

The roads around are narrow and not suitable for transportation of these large units, they are congested on a day to day basis with school traffic and at rush hours, this would only add to the problem.

The green belt land you are planning to build on will be ruined affecting the local wildlife impacting residents health and wellbeing, causing pollution and a massive eyesore.

All for profit for big organisations with no thought for people who live in the local area
