Submission: Objection

Comments: I am writing to object. This must not go ahead, I recently purchased my new home in Werrington with my family. If this was to go ahead, then it will de value all the houses in Werrington. We will lose vital open spaces and beautiful picturesque fields and landscapes the fields surrounding werrington are used by farmers for growing crops for food, the local residents use it for walking. Our children attend Moorside High school which is in very close proximity to the proposed site. It will cause detrimental effects to the environment and health. I object this must not go ahead.
