☒ No

Please provide a brief description of the building or part of the building you are proposing to demolish

The original listing for the building was in 11 November 1971, an amendment recorded on 14th October 1996. It's thought that the extension was built when it was a private house before the listing was amended in 1996, but there is no mention of it in the listing, and there is no record of planning permission being granted.

Why is it necessary to demolish or extend (as applicable) all or part of the building(s) and or structure(s)?

The extension is not in keeping with the original structure of the building, the intension would be to remove this and reinstate the original rear facade as far as possible albeit with some French doors to the garden area. The proposed smaller side/rear extension would retain a ground floor wc facility
