Hi

Please see email at the bottom of this email chain. Can it be logged as a consultation response please with all info redacted as necessary.

Thanks

Lisa

Subject: FW: Application SMD/2024/0443

Please find below an email I have received today from the neighbouring property to the above application (The Shippons).

Kind regards

Jo Harrison

Subject: Application SMD/2024/0443

To

The planning officer

Reference application: SMD/2024/0443

I can confirm that we have no objection to the construction of the barn in the above application. Gareth consulted us prior to submitting the application and we have sufficient landscaping cover at the boundary of our property. Our main view is to the east and is not really impacted by the barn.

Kind regards

Paul and Deborah Bushell
