Submission: Objection

Comments: My objection to this has multiple concerns. 1 is the parking as when it was a care home before they never parked off the road and blocked the pavement. 2 these young people can cause a lot of damage /trouble in a area and it would take police quite some time to get here. 3 there;s a lot of older people and young families that I feel might be intimidated by theses people. 4 there;s nothing in the area for them to do. 5 possible devaluation of all the homes. 6 the owner of the property wouldn;t tell us the true reason for buying the property and lied when asked about it use (under handed and dishonest).
