Good morning I am

Emailing with the request for the application to be **REJECTED**

-

Please accept this email as a **FULL REJECTION OF THE PROPOSED CHANGE OF USE OF 173A LEEK ROAD ENDON on APPLICATION NUMBER SMD/2024/0534**

-

I do not believe the position is the correct place immediately adjacent to two schools where groups of easily influenced children will be constantly grouping together and standing around outside this type of care home.

I have grandchildren that attend both schools and they will have to pass the care home every day to get to and from school,

I also do not want to pass a care home for troubled mental health and substance abuse children when taking and collecting my grandchildren from their schools.

THIS IS A FULL REJECTION OF THE PROPOSED CHANGE OF USE OF 173A LEEK ROAD ENDON on APPLICATION NUMBER SMD/2024/0534

Regards Mr M Tudor
