Submission: Objection

Comments: I oppose development of this quarry for leisure purposes. Firstly, the current local infrastructure will not be able to cope with increased traffic and traffic pollution if there is yet another large leisure facility in our unique and rural area. Secondly, I feel that the surrounding countryside and ecosystems supported in the area, will suffer irreversible damage. Finally, I strongly believe development will damage a beautiful area of the Churnet Vally that should be left to nature and preserved for future generations.
