Subject: RE: Invalid Letter to Agent - App ref NMA/2024/0033

Categories:

Good morning, thank you for your email the contents of which are noted. I can confirm that all other details provided in relation to the caravans are correct and will remain the same as the previous application. Customers are still requested to select their caravans from the Swift brochure previously provided. You will see from the measurements set out in the email you attached we specified the units as being 12.53 long x 6.02m wide x 4.07m high. For some reason the condition attached to the permission restricted the width of the caravans to 4.75m. We have now measured all units on site and the condition needs to be amended to the following dimensions (13.1m long x 6.7m wide x 4.07m high) in order to ensure that all units (with the exception of Plot 49 as previously set out) are compliant.

I trust that the above clarifies the situation and that the application can now be validated and I look forward to receiving confirmation of the same by return of email.

Kind Regards

Teresa Critchlow BA(Hons), MPlan
