Failure to notify or consult with Leigh Parish Council over this application. The construction traffic for this application will be using Leigh Lane which lies within Leigh Parish yet the Parish Council have had no notification of this application. The first they were made aware was via a Checkley community Facebook page. Leigh Lane is a completely unsuitable highway for the construction traffic that will using it, it is single track in many places, with blind bends and minimal passing places and is one of the major routes out of the parish for villagers.
