Notes

This drawing is not to be used on site unless issued for construction.

Figured dimensions must be used in preference to scaling off this drawing to mitigate the risk of error. All dimensions to be verified on site prior to the commencement of any work or the production of any fabrication drawings.

All setting out is to be checked and confirmed on site. All levels are to be checked and confirmed on site. All discrepancies to be reported to the Architect.

All building work is to comply with the full planning approval, including satisfaction of any stipulated conditions to the satisfaction of the Local Authority Planning Department.

This drawing is to be read in conjunction with all related Architect's and Engineer's drawings and any other relevant information.
