Comments: I feel the location of this proposal is not suitable. There are a lot of older residents that live in the surrounding bungalows, whom have retired to a quiet area, their peace may be disturbed by increased activity to the property due to the nature of the establishment.

I fear that there may be an increase in anti social behaviour in the area, the park behind the property attracts this already, is it fair to subject vulnerable young people to this environment?

The public services in the area (schools, doctors & dentists) are already oversubscribed this facility would put additional pressure on these services.

I also feel that should this proposal be passed the applicant would wish to extend the property in order to increase revenue from his investment creating further disruption to the residents and further increased activity at the property as additional staff may also be required.
