Comments: We are concerned about the plans for 19, Meigh road been turned into a children's residential home, as changing its use to a business premises from a residential one could impact the property resale value of our property .

.When we purchased our property a few years ago we wanted to live in a quiet residential area and not by a business property. We are also concerned about any potential antisocial behaviour or noise having an impact on our family life, as we are getting older and want to still have a quiet life in to our retirement.
