Submission: Support

Comments: We are supporting the planning application for 7 Boucher Road. We live in the house to the right of number 7 - meaning that the fence runs directly between our property and number 7. The fence is of a lower height in comparison to the previous hedge - which was also dying away and becoming an eyesore. The fence is a replacement for a previous taller hedge and it also means there is now no maintenance required from either property by having the fence.

The fence provides more privacy for both number 7 and also our property.

We therefore are happy and believe that the fence should remain in place.
