Submission: Objection

Comments: I am issuing my objection to the planning application regarding the plans for traffic lights on uttoxeter rd.

My objections are regarding the slip road we would be unable to get up the drive in bad weather which then would make people abandon their cars on the slip road. Also what will stop cars using the slip road to dodge the lights, which would be very dangerous for anybody coming out of their drive and also dangerous for pedestrians. Also the cars engines would be running causing dangerous fumes to inhale resulting in health problems.
