Submission: Objection

Comments: I am objecting to this application. When I objected for the previous application we were informed that decision are made on planning matters only . Despite this Cllr Adam Parkes set the precedent at the original planning meeting of verbally attacking the residents objections and making personal assumptions without knowing any of our circumstances. So I object on the grounds that what the council are doing is funding a company whose director is a convicted criminal whom is proudly promoting his past dealing drugs, violence and use of guns.They are putting vulnerable children in his companies care. No due diligence is being conducted. The council should look into the financial records of this company and links.
