YOUR COMMENTS ON THE CASE

Will this dog walking be only used at the time a person has booked their slot and also supervised by the paying person

My main concern is will it be a safe enclosure with there being a scout hut close by and children playing nearby

Can only one booking on the app be available to the person booking for their dog/dogs for the time paid and no other dogs allowed

Where will cars park

Will this dog enclosure at all times be kept safe and tidy

This enclosure will not be used for unruly dangerous dogs
