Email:

Submission: Neither

Comments: Dear Planning Officers,

The Town Council Planning Committee would like the location of this application to be assessed from the viewpoint of Ladderedge Country Park to make sure that any building structure would not impact the Ladderedge skyline and therefore impact the surrounding countryside. The committee did not have an objection to the building application, but just comments on the location in relation to the Country Park.

Yours sincerely

Denise Wheat

Town Clerk

on behalf of Leek Town Council
