Submission: Support

Comments: We live across the road at 2 Boucher Road and were on the consultation list to receive a notice letter which we have not received. We support the planning application, it looks good and does not impact on us in any way. If anything it has given us thought to have similar in the future as hedge maintenance can be difficult to manage. We find it concerning that a small fence at the front of your property takes precedence over more urgent matters in the community.
