Application Reference No. : SMD/2024/0568 Site Address: New House Farm Luzlow Lane Bagnall Staffordshire ST9 9JZ Stoke-On-Trent Comments by: Julie Hall

Submission: Objection

Comments: I object to this development on the grounds that it has a high risk of polluting water (bore holes) and introducing light / noise pollution. It also appears that access would be a problem especially in the event of a fire. Risk to residents and emergency personnel is unacceptable.

Although I do not live near this site it is an area I know well as I grew up in the Staffordshire Moorlands.
