Application Reference No. : SMD/2024/0568 Site Address: New House Farm Luzlow Lane Bagnall Staffordshire ST9 9JZ Stoke-On-Trent

Submission: Objection

Comments: This application is so wrong for the area. There will be a huge loss of amenity to local population. This proposal is completely in the wrong location. Why put such a huge development of known to be dangerous batteries so close to people's homes. The site is greenbelt and should be moved to a brownfield site. Using farm land for this purpose is completely wrong. O know the area very well as I used to live nearby. It is a beautiful part of the county and should not be spoilt by this blot on the landscape.

We have these units near us. The problems they cause are well known, ie fires, unsightly lots of lights all over the place and a lot of noise, heard more at night time. It only takes one to become faulty and there will be such a fire. Put them elsewhere, any where but here. I object to the application.
