Submission: Objection

Comments: A wind farm would ruin the outstanding beauty we have in this countryside area of land. Also on the map does not show how many there will be in the area, please advise.

Please can you advise on the noise pollution this will cause to the village and countryside properties as I believe this will be too much and also ruin our eco-system and there is wildlife in the area and will affect them too.

Following these concerns so object to this planning request as I feel this will damage our beautiful countryside.
