Comments: Further to my objection - already submitted. I would like to add that the caravans come with space to park 2 vehicles and there is more likelihood of people using 2 vehicles per plot with a 12 month license (the application only discusses 49 taking spaces) Also when you live in a vale and next to a lake, the noise travels in a different way and is amplified - the residents of The Crescent are frequently disturbed by the cabins (often very late) next to the caravan park - there is potential to have similar noise disturbance.
