Particulars of Development:

Outline planning permission with details of access (all other matters reserved) for a single self build dwelling

Location of Development:

LAND OFF Basford View, Cheddleton

Recommendation Summary: Conditional

Site Visit Conducted on: 08-Apr-2025

Personal Injury Records;

Current records show that there were not any Personal Injury Collisions on Leek Road within 50 metres either side of Basford View's junction with the Leek Road between 30/12/2019 and 29/12/2022.

Basford View is a private road; Staffordshire County Council do not hold Personal Injury Collision records on private roads.

Background;

The site is located off Basford View which is a private single-track road with some passing places and serving several residential properties.

Basford View's junction with the A520 Principal Road has a speed limit of 30 mph and a speed camera along this stretch. The junction is wide enough to accommodate vehicles accessing, egressing and passing at this point, allowing traffic to exit the A520 unhindered. It is therefore suitable to accommodate the additional traffic generated by the new development off the private road.

Leek Road (A0520) is a primary route connecting Stafford and Stone to Leek. There is a bus service from Hanley to Leek with a bus stop within a 5-minute walk of the site providing public transport to Leek (approx.3 miles) and Hanley (approx. 7 miles).

Previous Application;

SMD/2023/0477 - Outline application for a single dwelling - Conditioned by the Highway Authority.

SMD/2023/0167- Outline application with details of access (all other matters reserved) for a single dwelling- Conditioned by the Highway Authority.

Proposal;

Outline planning permission with details of access (all other matters reserved) for a single self-build dwelling

Comments on Information submitted:

The application is an outline planning permission with details of access all other matters reserved, for the construction of a single detached dwelling within land to the south of Basford View.

There are no objections in principle on Highway grounds to the proposed development subject to the following conditions being included on any approval:-

Before the development hereby approved is commenced, full details of the following shall be submitted to and approved in writing by the Local Planning Authority:

- Layout of site and disposition of buildings and provision of adequate parking and turning within the site curtilage. Provision of parking shall be in accordance with Staffordshire Moorlands District Council's adopted parking standards. All parking spaces shall be a minimum width of 2.4m and a minimum length of 4.8m per car. Any garages shall have minimum internal dimensions of 6x3m for a single garage or 6x6m for a double garage.
- Means of surface water drainage;
- Surfacing materials;

The development shall thereafter be implemented in accordance with the approved details and be completed prior to first occupation of the development.

The development hereby permitted shall not be brought into use until the access drive has been provided accordance with Drg. No. 2022-2695-03 Rev B and shall thereafter be retained for the lifetime of the development.

Reasons

To comply with NPPF; to comply with SMDC Core Strategy Policy DC1 and T1; in the interests of highway safety.

Note to Planning Officer:

A plan detailing parking has been submitted with the application however this is an outline application with access only for consideration.

Basford View is a private road and therefore does not connect with the public highway. The developer should ensure they have appropriate rights and permissions to carry out the work.
