Dear James,

Thank you for consulting with Staffordshire County Council's Historic Environment Team with regards to the above discharge of condition application.

This office has previously recommended the partial discharge of Condition 11 of SMD/2022/0444, relating to the Written Scheme of Investigation (WSI), dated 27/09/2024. The site works have since been completed satisfactorily in accordance with the WSI and we have also received the site report which has been completed to a standard which complies with that set out in the WSI. As such, I am happy to recommend the discharge of condition 11 of SMD/2022/0444, with the understanding that the project will be archived in a timely manner in accordance with the methodology outlined in the approved WSI and in line with that set out in Condition 11.

Please let me know if you have any questions or queries.

Kind regards,

Laura
