

Copyright: This drawing is prepared in the Architect and it must not be copied or reproduced without consent.

Printed Matter: Paper prints of this drawing may not be an accurate reproduction of the given scale. Figure's dimensions **only** are to be taken from this drawing. A scale bar is provided for reference.

Purpose: The drawing is prepared for the purpose shown in the drawing status.

Approved: Where the drawing has been prepared solely for the purposes of obtaining other planning permission, the drawing shall not be used for any other purpose.

Construction: Unless marked "For Construction" and issued with a C status, the drawing should not be used for Construction purposes, as it may be necessary to supplement the drawing with additional information before construction can proceed. It is not intended for tender and construction purposes.

Dimensions and Levels: are to be checked on site, prior to commencement.

Consent: The contractor is responsible for taking and checking all dimensions relative to their work. Dimensions in millimetres unless otherwise stated.

Notes: All drawings shall conform with British standards and be subject of any variation between finished works and site conditions.

CDE: Work must not start on site before a Construction Phase Health and Safety Plan is in place. If the Client is not satisfied with the proposed plan, they will instruct the Principal Designer and the Principal Contractor has appointed the Health and Safety Executive have notified (for projects which will involve more than 500 person days) and will last more than 30 working days).

Building Safety Act: Do not make any changes to the layout or design without first agreeing this with the Design Manager. Any changes to the design or drawings must be agreed by the Design Manager and signed by the Design Manager or the Client or authorised signatory. No notification will need design liability.

Drawings: Drawings created in conjunction with other consultants' drawings, specifications and schedules.
