Comments: I object to the planning due to the following:

- Basford view lane is in a state of disrepair. I have had large amounts of damage done to my car due to the state of the lane which has cost a lot of money. (More cars/vans will cause more damage to the lane)
- Basford view is not an accessible area due to the state of the lane. It is single track and has pot holes everywhere.
- The land is green belt and this application does not add anything to the green belt and it will harm the appearance of the surrounding area.
- The entrance to the land is hidden behind large bushes. It will be unsafe for people walking and cars driving.
