Dear Planning Team

I am writing to object to Planning Application SMD/2025/0147 for a two-storey side extension and single-storey rear extension at 94 Attlee Road, Cheadle, ST10 1LJ.

As the rear/side neighbour at 25 Station Road, Cheadle, ST10 1LH, I have concerns about the impact this proposed development will have on my property.

The new extensions will significantly block sunlight from entering my garden, particularly in the afternoon and evening, and will make the space feel far more enclosed than it currently does. Additionally, the single-storey rear extension will obstruct what little view I currently enjoy beyond my rear boundary, negatively affecting the sense of openness in my garden.

I believe the scale and positioning of the development are overbearing and would result in a considerable loss of residential amenity for my home.

I respectfully ask that you consider these concerns and refuse the application.

Kind regards,

Joanne Barnes

25 Station Road

Cheadle

ST10 1LH
