Submission: Objection

Comments: With now looking at the amended plans uploaded 28/3/25, it is now apparent that there is a plan to build a 2 storey property along side the existing 1 storey property (15 Silver st) in this part of the plans there is other 1 storey buildings therefore this 2 storey property will overlook and be above ridge levels for myself, this will also overlook the other planned properties and be directly in front of 6 Silver St. Can it be suggested that this property is changed to a single storey to be in keeping with the existing properties and those proposed on the plan ? Many thanks
