Submission: Objection

Comments: As a local Councillor for Cheadle South East Ward I have reviewed the comments from local residents, Staffordshire Police and others, I object to the planning amendment on the following basis:

1. Children aged 0 - 8 years, especially babies and toddlers, will require an increased level of health visits either at home or for carers to take children to and from the home to health services. This will result in an increased level of vehicles visiting the property and/or vehicle movements from staff and affect local residents enjoyment of their home.
2. Children aged over 17 years are likely to be learning to drive or driving their own vehicles which will add increased pressure on parking. I appreciate that a family living in the property could also contain children driving vehicles but a family is unlikely to have up to what could be 8 cars based on the current application. The existing parking provision has been determined as 6 cars. There is no space for additional parking and already limited on road parking.
