Submission: Objection

Comments: The expansion of the caravan numbers is excessive within the given park area.

The removal of the 10 month maximum annual residency clause will encourage permanent living at the site.

The approach lane width and surface is not suitable for the increase in traffic - the lane is used by 'round the lake' walkers.

There is no mention of access to the gate to the adjacent field belonging to Foxholes.(next to the proposed bins)

The entrance to the park has already been re-modelled. Stone from the boundary wall with the Foxholes field has been removed and used to create a kerb to the road. Is the wall going to be restored?
