Submission: Objection

Comments: I support the planning officers comments to object about this planning permission. The lane is not suitable to support more traffic and with 3 local livery stables it's dangerous to riders and their horses it has already had a negative effect on the green belt and is an eyesore on the landscape Families will not have any local amenities. I'm also concerned about the foul waste the site will accumulate as there is no mention of where the sewerage is to go as there are no foul drains in the lane
